BOROUGH OF WOODBURY HEIGHTS PART 1 REPORT OF AUDIT OF FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2012

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members of the Borough Council Borough of Woodbury Heights Woodbury Heights, New Jersey 08096

Report on the Financial Statements

We have audited the accompanying statements of assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the Borough of Woodbury Heights, in the County of Gloucester, State of New Jersey, as of December 31, 2012 and 2011, and the related statements of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis, statement of expenditures - regulatory basis, and statement of general fixed assets group of accounts for the year ended December 31, 2012 and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

17500

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Borough's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the Borough on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Borough of Woodbury Heights, in the County of Gloucester, State of New Jersey, as of December 31, 2012 and 2011, or the results of its operations and changes in fund balance for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to previously present fairly, in all material respects, the assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the Borough of Woodbury Heights, in the County of Gloucester, State of New Jersey, as of December 31, 2012 and 2011, and the results of its operations and changes in fund balance - regulatory basis of such funds for the years then ended, and the revenues - regulatory basis, expenditures - regulatory basis of the various funds, and general fixed assets, for the year ended December 31, 2012 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, as described in Note 1.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough's basic financial statements. The supplemental financial statements presented for the various funds are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements.

The supplementary financial statements presented for the various funds are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information described in the previous paragraph is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated October 1, 2013 on our consideration of the Borough of Woodbury Heights', in the County of Gloudester, State of New Jersey, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering the Borough of Woodbury Heights' internal control over financial reporting.

Respectfully submitted.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members of the Borough Council Borough of Woodbury Heights Woodbury Heights, New Jersey 08096

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey of the Borough of Woodbury Heights, in the County of Gloucester, State of New Jersey, as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements, and have issued our report thereon dated October 1, 2013. That report indicated that the Borough of Woodbury Heights' financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America, but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Borough of Woodbury Heights' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of Borough of Woodbury Heights' internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings and Recommendations, we identified certain deficiencies in internal control that we consider to be a material weakness and a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying Schedule of Findings and Recommendations to be a material weakness: 2012-1.

17500

A significant deficiency is a deficiency, or a combination of deficiencies. In internal control that is less severe than a material weakness, yel important enough to ment attention by those charged with governance. We consider the deficiency described in the accompanying <u>Schedule of Findings and Recommendations</u> to be a significant deficiency 2012-2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Borough of Woodbury Heights' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, honcompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of cur tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards or audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

The Borough of Woodbury Heights' Response to Findings

The Borough of Woodbury Heights' response to the findings identified in our audit is described in the accompanying <u>Schedule of Findings and Recommendations</u>. The Borough's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effect veness of the Borough's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey in considering the Borough's internal control and compliance Accordingly, this communication is not suitable for any other purpose.

Respectfully submitted.

BOROUGH OF WOODBURY HEIGHTS Notes to Financial Statements For the Year Ended December 31, 2012

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Description of Financial Reporting Entity</u> - The Borough of Woodbury Heights was incorporated in April, 1915 and is located in southwest New Jersey approximately twenty miles southeast of the City of Philadelphia. The population according to the 2010 census is 3,055.

The Borough has a Mayor-Council form of government known as the Mayor-Council Plan A under the Optional Municipal Charter Law of 1960, popularly known as the Faulkner Act. The Mayor is separately elected. Executive and administrative responsibility rests with the Mayor, who is assisted by the Borough Clerk.

<u>Component Units</u> - The Borough of Woodbury Heights had no component units as defined by Governmental Accounting Standards Board Statement No. 14.

Basis of Accounting, Measurement Focus and Basis of Presentation - The financial statements of the Borough of Woodbury Heights contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the Requirements of Audit are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these "Requirements". In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this Note.

In accordance with the "Requirements", the Borough of Woodbury Heights accounts for its financial transactions through the use of separate funds which are described as follows:

<u>Current Fund</u> - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

<u>Trust Funds</u> - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

<u>General Capital Fund</u> - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

<u>Water and Sewer Utility Operating and Capital Funds</u> - The Water and Sewer Utility Operating and Capital Funds account for the operations and acquisition of capital facilities of the municipally owned Water and Sewer Utility.

Budgets and Budgetary Accounting - The Borough of Woodbury Heights must adopt an annual budget for its current and water and sewer utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Borough's financial statements.

<u>Cash, Cash Equivalents and Investments</u> - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost. Consequently, unrealized gain or loss on investments has not been recorded in accordance with Governmental Accounting Standards Board Statement No. 31.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the Borough of Woodbury Heights requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

<u>Interfunds</u> - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

<u>Inventories of Supplies</u> - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

General Fixed Assets - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget Circular A-87 (Attachment B, Section 19), except that the useful life of such property is at least five years. The Borough has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at their estimated fair market value on the acquisition date. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The Borough is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a Statement of General Fixed Assets, reflecting the activity for the year, must be included in the Borough's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

<u>Utility Fixed Assets</u> - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment and improvements and contributed capital.

<u>Foreclosed Property</u> - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be recorded in the General Fixed Assets Account Group.

<u>Deferred Charges</u> - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

<u>Liens Sold for Other Governmental Units</u> - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

<u>Fund Balance</u> - Fund Balances included in the current fund and utility operating fund represent amounts available for anticipation as revenue in future years budgets, with certain restrictions.

<u>Revenues</u> - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the Borough's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the Borough's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Borough which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

<u>Property Tax Revenues</u> - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the Borough's annual budget, but also the amounts required in support of the budgets of the County of Gloucester, Borough of Woodbury Heights School District, and the Gateway Regional High School District. Unpaid property taxes are subject to tax sale in accordance with the statutes.

<u>School Taxes</u> - The municipality is responsible for levying, collecting and remitting school taxes for the Borough of Woodbury Heights School District and the Gateway Regional High School District. Operations is charged for the full amount required to be raised from taxation to operate the local school district for the period from January 1 to December 31.

<u>County Taxes</u> - The municipality is responsible for levying, collecting and remitting county taxes for the County of Gloucester. Operations is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

Reserve for Uncollected Taxes - The inclusion of the "Reserve for Uncollected Taxes" appropriation in the Borough's annual budget protects the Borough from taxes not paid currently. The Reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis; whereas interest on utility indebtedness is on the accrual basis.

<u>Appropriation Reserves</u> - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

<u>Long-Term Debt</u> - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital and Utility Capital Funds. Where an improvement is a "local Improvement", i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the Trust Fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

<u>Compensated Absences and Postemployment Benefits</u> - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: CASH AND CASH EQUIVALENTS

<u>Custodial Credit Risk Related to Deposits</u> - Custodial credit risk is the risk that, in the event of a bank failure, the Borough's deposits might not be recovered. Although the Borough does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition.

As of December 31, 2013, the Borough's bank balances of \$3,091,434.22 were completely insured and collateralized.

Note 7: INTERFUND RECEIVABLES AND PAYABLES

The following interfund balances were recorded on the various statements of assets, liabilities, reserves and fund balance as of December 31, 2012:

| <u>Fund</u> | Interfunds <u>Receivable</u> | Interfunds <u>Payable</u> |
|--|---------------------------------|------------------------------|
| Current Fund | \$292.33 | \$235,439.95 |
| Federal and State Grant Fund | 14,015.28 | |
| Trust Animal Control | | 267.53 |
| Trust Other Funds | 47,803.98 | |
| General Capital Fund | 173,620.69 | |

| Water and Sewer Utility Capital Fund | · | 4,753.24 |
| | | |
| _ | \$240,467.74 | \$240,467.74 |

The interfund receivables and payables above predominately resulted from payments made by certain funds on behalf of other funds. During 2013, the Borough expects to liquidate such interfunds, depending upon the availability of cash flow.

Note 8: **PENSION PLANS**

The Borough of Woodbury Heights contributes to two cost-sharing multiple-employer defined benefit pension plans, the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS), which are administered by the New Jersey Division of Pensions and Benefits. In addition, the Borough has authorized employee participation in the Defined Contribution Retirement Program (DCRP), which is a defined contribution pension plan and is also administered by the New Jersey Division of Pensions and Benefits. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

State of New Jersey Division of Pensions and Benefits P.O. Box 295 Trenton, New Jersey 08625-0295

Public Employees' Retirement System - The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 62, P.L. 1994, plan members enrolled in the Public Employees' Retirement System were required to contribute 5% of their annual covered salary. Effective July 1, 2008, however, in accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. For employees enrolled in the retirement system prior to July 1, 2008, the increase is effective with the payroll period that begins immediately after July 1, 2008. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate increased to 6.5% plus an additional 1.0% phased-in over seven years. The phase-in of the additional incremental member contribution amount began July 1, 2012 and increases each subsequent July 1. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

Note 8: **PENSION PLANS (CONT'D)**

Public Employees' Retirement System (cont'd) - The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

| <u>Year</u> | Normal Contribution | Accrued <u>Liability</u> | Non- Contributory Group Life | Deferred Payment | Total <u>Liability</u> | Funded by Township | | |

Police and Firemen's Retirement System - The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the Police and Firemen's Retirement System are required to contribute 8.5% of their annual covered salary. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate will be increased to 10% in October, 2011. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

| <u>Year</u> <u>C</u> | | Normal Contribution | | Accrued <u>Liability</u> | Non- ontributory froup Life | Deferred Payment | Total <u>Liability</u> | Funded by <u>Township</u> | | |

Pension Deferral – Public Law 2009, c.19 (S-21) was enacted on March 17, 2009 and allowed the Division of Pensions and Benefits to provide non-state government pension system employers the option of paying the full amount, or an amount that reflects a 50 percent reduction of the normal and accrued liability component of the PERS and PFRS obligations for payments due in the State fiscal year ending June 30, 2009. The payments were due on April 1, 2009 (with a grace period until April 30).

The amount will be repaid starting in April of 2012 over a 15 year period. The amount will fluctuate based on pension system investment earnings on the deferred amount.

The Borough applied for and received approval from the Local Finance Board to defer a portion of the 2009 liability due for both PERS and PFRS.

Note 9: OTHER POST EMPLOYMENT BENEFITS

<u>Plan Description</u> - The Borough contributes to the State Health Benefits Program (SHBP), a cost-sharing, multiple-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions and Benefits. SHBP was established in 1961 under N.J.S.A. 52:14-17.25 et seq., to provide health benefits to State employees, retirees, and their dependents. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. In 2003, the Borough authorized participation in the SHPB's post-retirement benefit program through resolution number 100-2003. The policy of continued insurance coverage is detailed in the Code of the Borough of Woodbury Heights, Section 23-15 entitled Retirement which states that any full-time employee who retires with 25 years of service is eligible for continued benefits.

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at www.state.nj.us/treasury/pensions/.

Funding Policy - Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis.

Contributions to pay for the health premiums of participating retirees in the SHBP are billed to the Borough on a monthly basis. The Borough funds the costs of retirees postretirement health benefits on a pay as you go basis through a budget appropriation.

The Borough contributions to SHBP for the years ended December 31, 2012, 2011, and 2010, were \$34,063.44, \$24,390.85, and \$17,607.46, respectively, which equaled the required contributions for each year. There were approximately 3, 3, and 2 retired participants eligible at December 31, 2012, 2011, and 2010, respectively.

Note 10: **COMPENSATED ABSENCES**

Employees covered under the AFL/CIO agreement, office employees and public works employees, are granted sick and vacation time based on years of service. The employees can accumulate up to thirty sick days and the current policy provides one compensated day for every two days accumulated. Employees can carry over up to half of the current period's accumulation provided that the employee uses half of vacation granted. All compensation is computed using the rate in effect at termination or retirement.

Employees covered under the PBA agreement, police officers and related staff, are granted twelve (12) sick days per year and vacation is granted based on years of service. Employees can accumulate up to 120 sick days and can carryover up to sixty percent of the current period's vacation accrual provided that the employee utilizes forty percent during the year. All compensation is computed using the rate in effect at termination or retirement.

Note 10: **COMPENSATED ABSENCES (CONT'D)**

The Borough does not record accrued expenses related to compensated absences. However, it is estimated that, at December 31, 2012, accrued benefits for compensated absences are valued at \$137,795.71.

Note 11: **DEFERRED COMPENSATION SALARY ACCOUNT**

The Borough offers its employees a Deferred Compensation Plan in accordance with Internal Revenue Code Section 457 which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Borough or its creditors. Since the Borough does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the Borough's financial statements.

Certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2012, the following deferred charges are shown on the statement of assets, liabilities, reserves and fund balance of the following fund(s):

| | Balance <u>Dec. 31, 2012</u> | 2013 Budget Appropriation |
|--|---------------------------------|------------------------------|
| Current Fund: Special Emergency Authorizations | \$139,000.00 | \$49,000.00 |

The appropriations in the 2013 Budget as adopted are not less than that required by the statutes.

Note 14: **JOINT INSURANCE POOL**

The Borough of Woodbury Heights is a member of the Gloucester, Salem, Cumberland County Municipal Joint Insurance Fund. The Fund provides its members with the following coverage:

Workers' Compensation and Employer's Liability Liability other than Motor Vehicles Property Damage other than Motor Vehicles Motor Vehicles

Contributions to the Fund, including a reserve for contingencies, are payable in two installments and are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

Note 14: **JOINT INSURANCE POOL (CONT'D)**

The Fund provides the Borough with the following coverage:

Property - Blanket Building and Grounds General and Automobile Liability Casualty Business Automobile Worker's Compensation Environmental Legal Liability Public Officials and Employment Liability

Contributions to the Fund, are payable in an annual premium and is based on actuarial assumptions determined by the Fund's actuary. The Borough's agreement with the pool provides that the pool will be self-sustaining through member premiums and will reinsure through the Municipal Excess Liability Joint Insurance Fund for claims in excess of \$50,000 to \$200,000 based on the line of coverage for each insured event.

The Fund publishes its own financial report for the year ended December 31, 2012, which can be obtained from:

Gloucester Salem Cumberland County Municipal Joint Insurance Fund P.O. Box 442 Hammonton, New Jersey 08037

Note 15: NEW JERSEY UNEMPLOYMENT COMPENSATION INSURANCE

The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State. The following is a summary of Borough contributions, reimbursements to the State for benefits paid and the ending balance of the Borough's trust fund for the current and previous two years:

| <u>Year</u> | Borough <u>Contributions</u> | Amount <u>Reimbursed</u> | Ending <u>Balance</u> |

BOROUGH OF WOODBURY HEIGHTS PART 2 SCHEDULE OF FINDINGS AND RECOMMENDATIONS FOR THE YEAR ENDED DECEMBER 31, 2012

BOROUGH OF WOODBURY HEIGHTS Schedule of Findings and Recommendations For the Year Ended December 31, 2012

Schedule of Financial Statement Findings

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the financial statements that are required to be reported in accordance with <u>Government Auditing Standards</u> and with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Finding No. 2012-1

Criteria or Specific Requirement

Pursuant to N.J.A.C. 5:30-5.7, the general ledger, together with the books of original entry and supporting subsidiary ledgers shall constitute a complete accounting system which all local units shall have and maintain. Good internal control practices dictate that a complete and accurate general ledger should be maintained for each fund to ensure adequate control over the preparation of financial statements including the related footnotes.

Condition

The computerized general ledger was not properly maintained for all required funds.

Context

The general ledger required significant adjustment to properly reflect the financial activity of the Township.

Effect

Without a properly maintained general ledger system, the immediate and current identification of assets, liabilities, revenues, expenditures and fund balance cannot be achieved.

Cause

Proper internal control policies and procedures over financial transactions are not in place to properly maintain the general ledger and corresponding subsidiary ledgers.

Recommendation

That the general ledger for each fund be accurately and completely maintained to ensure adequate control over the preparation of financial statements including the related footnotes.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding. Major improvement was made in upgrading and maintaining the general ledger accounting system in 2012. The Chief Financial Officer will continue to receive additional training to enhance the system to correct any remaining deficiencies.

BOROUGH OF WOODBURY HEIGHTS Schedule of Findings and Recommendations For the Year Ended December 31, 2012

Schedule of Financial Statement Findings (Cont'd)

Finding No. 2012-2

Criteria or Specific Requirement

N.J.A.C. 5:30-5.6 requires that municipalities maintain a fixed asset accounting system that shall include asset descriptions, estimated or historical costs and other such information as shall be required by the governing body and updated annually with additions and deletions.

Condition

The fixed asset ledger has not properly updated since 2009.

Context

The Borough has not updated the official fixed assets accounting system for 2009 disposals and 2011 and 2012 additions.

Effect

The Borough does not have an accurate fixed asset inventory as of December 31, 2012.

<u>Cause</u>

Asset additions and disposals are not properly reflected in the records maintained by the Borough.

Recommendation

That a general fixed asset accounting system be properly maintained in accordance with N.J.A.C. 5:30-5.6.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

BOROUGH OF WOODBURY HEIGHTS Summary Schedule of Prior Year Audit Findings as Prepared by Management

This section identifies the status of prior year findings related to the financial statements (and Federal Awards and State Financial Assistance) that are required to be reported in accordance with Government Auditing Standards (, OMB Circular A-133 and State of New Jersey Circular 04-04-OMB).

FINANCIAL STATEMENT FINDINGS

Finding No. 2011-1

Condition

The computerized general ledger was not properly maintained for all required funds.

Current Status

The condition remains unresolved.

Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

Finding No. 2011-2

Condition

Differences were noted in the water meter readings per the meter reading system with the meter readings posted to the computerized accounts receivable system used for billing purposes.

Current Status

The condition has been resolved.
