

GRES PAVING CO., INC.

July 21, 2023

RE: Milling & Paving - SJG Restoration – Temple, Central, 3rd, Beech, Linden, Alliance, Auburn, 2nd, Fordham, Moore, Vanderbilt, Hamilton, Maple, Lincoln, Helen, & Brooklawn.

Dear Resident / Property Owner:

This notice is to advise you that we will be performing road improvements in your neighborhood. This is part of South Jersey Gas Company's Main and Service Installation Project. Please be advised that beginning on or about **Wednesday, July 26, 2023**, weather permitting, we will begin milling and paving the above-mentioned streets in Woodbury Heights. Work hours are 7:00 am until 4:00 pm. **Please pay attention to the signs on the poles for specific dates.** In order to expedite the work, we respectfully request that you avoid parking on these roads during work hours.

Also please be aware that no vehicles will be permitted on the hot asphalt until it has sufficiently cooled off. (typically 2-3 hours after placement & rolling.)

We apologize for any inconvenience this may cause as we make permanent improvements to the road. With your help, we hope to complete this project as quickly as possible. During the process, access will be restricted, however, emergency vehicles and **anyone with special needs to get in or out will be accommodated.**

For everyone's safety, we urge you to use caution when driving in the work zones and to be aware of equipment operating in the roadway. Please allow a few extra minutes for potential delays caused by the construction. Thank you in advance for your cooperation and should you have any questions related to this project, please feel free to contact me at 609-890-6848.

Sincerely,

Dino Colarocco
